PRICE LIST 1951

GLADHAVEN GARDENS

George G. Fowler, Prop.

North Main Street

West Franklin, N. H.

Happy New Year to all our old friends and new Acquaintances. It is with considerable surprise that we are sending you another list of bulbs, Iris, etc., we have for sale.

I am writing this on our 56th Anniversary Day, so you see we are getting along in years.

We have made many reductions from last year's prices, added some choice new varieties and kept the best of some of the older sorts.

Thanking you for your past patronage and hoping you will help us reduce our stock by liberal orders,

We are faithfully yours,

Mr. and Mrs. George G. Fowler.

Jan. 4th, 1951.

TERMS OF SALE

All prices are subject to the following conditions and change without notice. (a) Any Federal or State tax that may be imposed on sales. (b) Stock on hand when order is received. (c) No bulbs shipped C. O. D. without at least a deposit of 25% of the order. (d) No minimum lot split and no single item for less than 10c. All orders of \$1.00 or more are prepaid anywhere in the U. S. Orders for less than \$2.00 are sold at a loss anyway.

You may buy 5 bulbs at ½ the price for 10 bulbs.

GUARANTEE

We guarantee that the gladiolus bulbs you buy from us will be true to name, healthy and properly cured for planting spring of 1951.

Cannot guarantee crop or anything depending on cultivation or weather.

WE CANNOT GUARANTEE EVERY BULB TO BLOOM FOR YOU, as they will not always bloom for us.

HOW TO REMIT

Postal Notes now cost 8c for sums up to \$10. Money Orders cost 10c for sums up to \$5. Most banks furnish checks for 10c for most any amount up to \$50. It is not safe to send loose cash. Can use 1, 2 & 3c stamps for sums under \$1. Do not send Air Mail stamps.

Always have your name and address on the outside of every letter containing money or orders of any kind. Many times this has been the only way we could make out the address of sender.

ABOUT C. O. D. SHIPMENTS

We do not ship C. O. D. unless 25% of the price is received with order. We DO NOT SHIP IRIS C. O. D.

IMPORTANT

ORDER EARLY and state on the order sheet when you want the bulbs shipped. We acknowledge the order by post card so you may know your order has been received by us. Indicate on the Order Sheet if we may or may not substitute if out of variety ordered. Print your name and address plainly and please do not use the Price List for an Order Sheet as it is very confusing.

If I am out of size ordered will send the next nearest size to value of order or more. You can expect extras with your order depending upon the size of order. KEEP a copy of your order. We will do the best we can with orders asking us to "ship by return mail" depending on how cold the weather is when order is received. Without other instructions we will ship in time for proper planting in your locality.

DO NOT WAIT UNTIL the day before you want to plant your bulbs before ordering. If you do not want to pay for bulbs in full when you order, a 25% deposit with order will hold bulbs until May 1, 1951.

SIZE OF BULBS

LARGE bulbs are 1¼ inches in diameter and over. Medium size bulbs are from ¾ to 1¼ inch in diameter averaging about 1 inch. Small bulbs are under ¾ of an inch and over ¼. All large and medium size should bloom this season if planted before June 1st. Most of the small bulbs will bloom if planted before May 15th.

Choice Iris Roots

Special offer of 12 fine Iris roots postpaid within Beetle Zone, no two alike, for only \$2.00. Good size roots that should bloom next year. We do not have any Japanese Beetles, but quarantine restrictions ban our mailing outside the beetle zone. Best time to plant is in July, however, they may be set out anytime ground is not frozen. EXTRA! Three lots postpaid for \$5.00. Satisfaction guaranteed.

REGAL LILY SEED

The beautiful Regal Lilies can be easily grown from seed. This is one of the best hardy lilies grown. They increase year after year until they must be taken up and divided. Bloom in July. The large trumpet shape white flowers fill the evening air with their sweet scent. Packet with complete instructions, 10c postpaid.

GLADHAVEN ASSORTMENT

For those who do not care about names but just want a number of good blooming bulbs and many colors, we recommend this choice mixture. It includes about all known shades and colors in the glad family. To give them a fair trial and get the largest number of colors you should plant at least 100 bulbs. Fifty bulbs planted two weeks apart will give a long season of bloom. Most of the small bulbs will bloom this year. Note these LOW prices: Post Paid.
